

World Expo – Countries Study

Name: _____

November 2025/Division One

Part 5 – History

Research: Students will need to gather information from a variety of sources (the web, library books, encyclopedias) in order to answer the following questions. You can use the fact sheets provided to help you gather the information for writing later on.

Legal paper (8.5 x 14) or larger (11 x 17) will be provided for this part of your country study.

- 1) Make a **timeline** that shows the main events in your country's history and the order in which they happened. Go back in time as far as you can. (You must include at least 10 historical events)
- 2) When doing your research, consider **why** you are choosing each event for your timeline. Make certain that you understand why each event was key to your country's history.
- 3) Write a brief **description** on your timeline of at least five of the most important events in this country's history.
- 4) Draw a simple **illustration** of at least five of the other key events.
